

Memorandum

Date: July 14, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Agenda Item No. 8(F)(1)

Subject: Recommendation for Approval to Access the Florida Department of Transportation Contract for Small Cutaway Low-Floor Transit Vehicles

Recommendation

It is recommended that the Board of County Commissioners (Board) approve accessing a competitively-awarded Florida Department of Transportation contract, *TRIPS-10-SCLF-FCCS-1*, for the Internal Services Department to purchase 12 diesel-powered small cutaway low-floor transit buses on behalf of the Community Action and Human Services Department. Low-floor buses are built with no steps between the entrance of the bus and the passenger cabin, which improves accessibility to the bus by affording passengers easier entry and exit.

The buses will replace 12 current standard cutaway buses used by elderly passengers. The current buses are difficult for elderly passengers to access as they require the passenger to take two (2) to three (3) steps to reach the bus cabin. Due to the age of the current buses and the costliness of repairs, the Community Action and Human Services Department will retire the buses once it acquires the new low-floor buses. The Community Action and Human Services Department will specifically use the new buses to transport elderly clients to and from Adult Day Care, meal sites and field trips. The buses will also be used to transport Head Start Program participants to and from field trips. This contract offers the lowest prices found in the market for the buses. The contract was last accessed in July 2014 under the County Mayor's delegated authority to purchase four (4) diesel-powered small cutaway low-floor buses for the Community Action and Human Services Department.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for this one-time purchase of 12 buses is \$1,866,000. That amount is based on the cost of the buses.

Department	Allocation	Funding Source	Contract Manager
Internal Services	\$1,866,000	Fleet Replacement Fund	Rey Llerena
Total	\$1,866,000		

Track Record/Monitor

Delegated Authority

If this item is approved, the County Mayor or the County Mayor's designee will have the authority to exercise all provisions of the contract pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.
